Organised and careful Brunel University London student (MSc Artificial Intelligence) with a First Class degree in Computer Science and work experience in data and systems. I am good with numbers and pay close attention to detail when entering and checking data. I am confident using Microsoft Excel, Word and Outlook, communicate clearly and politely, and understand the importance of keeping information confidential. Reliable, well organised and calm under pressure, I would be glad to support the team at Ealing Abbey Counselling Service as Database and Payments Administrator.

WHY I'M A GREAT FIT

- Good attention to detail when entering and checking data
- Good with numbers and a high level of accuracy
- Experience using databases, and confident with Microsoft Excel, Word and Outlook
- Well organised and able to manage my time and meet deadlines
- Able to work on my own and stay effective under pressure
- Clear, polite communicator and a good team player who respects confidentiality

EXPERIENCE

PYTHIAN (Data Practice)

Consultant | May 2022 - August 2023

- Helped move over 600 records and database objects to a new system (SAP HANA Cloud), making sure the data stayed accurate and consistent.
- Checked and tested data carefully after the move and sorted out any errors I found.
- Improved data processes, reducing processing time by 28%.
- Spoke with clients regularly, understood what they needed and explained things clearly.
- Promoted within 4 months for my work and reliability.

EDUCATION
