Sara Qureishi

North Harrow, London | 07760 584657 | sara.qureishi24@gmail.com

Friendly, reliable and organised Brunel University London student (MSc Artificial Intelligence) with a First Class degree in Computer Science. I have experience working with customers and with data in busy, fast-paced settings. I communicate clearly, pay close attention to detail and learn new systems quickly. I am looking for part-time work (up to 20 hours a week) around my studies, and I am happy to work in customer service, admin or data-focused roles.

KEY SKILLS

- Good customer service and clear communication (in person, phone and email)
- Organised, with good attention to detail and accurate record-keeping
- Good with numbers, data and spreadsheets
- Confident with Microsoft Excel, Word and Outlook, and quick to learn new systems
- Calm under pressure and good at managing my time
- Reliable team player, happy to work on my own or with others

EXPERIENCE

PYTHIAN (Data Practice)

Consultant | May 2022 - August 2023

- Helped move over 600 records and database objects to a new system (SAP HANA Cloud), making sure the data stayed accurate and consistent.
- Checked and tested data carefully and sorted out any errors I found.
- Improved data processes, reducing processing time by 28%.
- Spoke with clients regularly, understood what they needed and explained things clearly.
- Promoted within 4 months for my work and reliability.

UNIVERSITY AND COMMUNITY INVOLVEMENT

- **Event volunteer, community tech meetup (50+ attendees).** Welcomed and checked in guests, directed attendees and helped the event run smoothly.
- **Acknowledged contributor, Artificial Intelligence Review (Springer, 2026).** Credited for helping validate testing on a published research paper.

EDUCATION

- MSc Artificial Intelligence, Brunel University London (ongoing)
- BTech Computer Science and Engineering, JNTU Hyderabad, India (First Class)
